

Your sponsorship will help more than 125 local farmers, growers, food producers, bakeries, craft artisans, musicians, local wineries, and non-profit groups who participate in our farmers market each season.

We need your generous support to produce our farmers market for our community. We hope you will visit the market throughout the season to see your sponsorship at work!

Our Friday night markets have become a summer destination place for families and friends to have dinner, listen to great music and just hang out to spend the evening!

Your support of the Angels Camp Farmers Market benefits our whole community while putting your name front and center.
