

The farmers market is able to thrive only from generous contributions from our local sponsors. Your sponsorship will benefit the community, farmers, growers, food producers, bakeries, craft artisans, musicians, local wineries, and non-profit groups who participate in our farmers market each season.

We need your generous support to provide our farmers market for our community. We hope you will visit the market throughout the season, and see your sponsorship at work!

Our Friday night markets have become a summer destination place for families and friends to have dinner, buy local eats, listen to great music and socialize for the evening!

Your support of the Angels Camp Farmers Market benefits our whole community while promoting your name.
